GOALS

I'm actively seeking a Junior/Trainee position to kick-start my career as a Front-End Developer.
Committed to growing in technologies like React and Node.js in a collaborative environment.

ABOUT ME

Front-End Developer in transition, with a solid foundation in JavaScript, React, and a strong business orientation.
My professional background includes 9 years of experience in operations and finance management within the construction sector, which has provided me with an analytical mindset, discipline, and strong process management skills. I made an intentional career transition into programming in 2023, focusing on Front-End development.
I am actively seeking my first professional opportunity as a Junior/Trainee Developer in an innovative team where I can apply my technical knowledge (React, JavaScript) and business insight to contribute to the development of robust and efficient solutions.
